Fax: 860.439.7774
www.nlstmhs.org

■ STMHS is a regional comprehensive high school program which offers the following focus areas:

- Biomedical Science
- Engineering
- Environmental Science
- Multimedia/Gaming
- Network Design

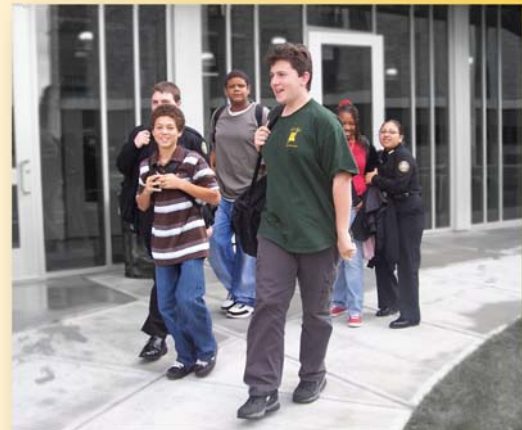

■ Preparation for careers and higher education opportunities in all seven learning strands

■ Integrated language arts, mathematics and history curricula that support the science and technology focus

■ Curricula based on national, state, and industry standards

■ Inquiry-based instruction that is hands-on and linked to specific projects

■ A personal educational plan for every student

To be part of this unique experience in Southeastern Connecticut, attend the open house or register for a guided tour by calling 860.437.6496. Visit our website at www.nlstmhs.org

Success is an Attitude!
