

Welcome to the Science & Technology Magnet High School of Southeastern Connecticut (STMHS)! Mr. Allen and the staff are delighted that you have chosen STMHS for your high school years. This program will provide you with a productive, enjoyable, and unique high school experience.

Please Join Us
***"You're In"* New Student Orientation**
March 24, 2010
6:00 – 7:00 PM
STMHS Lecture Hall
490 Jefferson Avenue, New London, CT

During the orientation you will have the opportunity to meet the teaching staff, meet future classmates, and learn more about the unique aspects of our program and its aligning curriculum. This is the first of many events that you and your family will attend at STMHS. Mr. Allen and the staff pride themselves on being a family and together they continue creating a welcoming environment for the STMHS students and families.

If you have any questions, please do not hesitate to contact the magnet office at 860.437.6496. See you on March 24th!
